

Prescription Benefit

Helping patients get the medication they need for less cost

Welcome to Recuro's Prescription Benefit solution! In today's fast-paced world, who remembers to order their prescription refills, let alone has time for a trip to the pharmacy? Recuro Health offers pharmaceutical medications delivered right to your door. Download the Recuro app today to get started!

Recuro takes the hassle out of managing your prescriptions by getting the correct medications to you in a timely and secure manner. We provide easy fulfillment of your prescriptions for both urgent care needs and chronic conditions.

Sample Medications Include

Albuterol	Amoxicillin	Atorvastatin
Benazepril	Cephalexin	Clindamycin
Fluoxetine	Lisinopril	Metformin
Prednisone	Sertraline	Sucralfate

Disclaimer: Disclaimer: Recuro services are for non-emergency conditions only. Recuro services are not considered insurance or a Qualified Health Plan under the Patient Protection and Affordable Care Act. Recuro doctors do not prescribe DEA controlled substances (schedule I-IV) and does not guarantee that a prescription will be written. For updated full disclosures, please visit www.recurohealth.com

Product Highlights

Convenience Meets Quality

With prescription home delivery you can fill multiple month supplies of your prescription medication resulting in fewer refills and potentially, significant savings. We take prescription orders online, over the phone, and through the mail. Best of all, you don't need to leave your home – your prescription medications are delivered right to your door.

Prescription Questions

In order to help you use your medications correctly, Recuro Health includes comprehensive and easy-to-understand information with each new prescription. Members can get additional detailed information by contacting Recuro Health customer support. Recuro pharmacists are available to answer any questions you may have about prescriptions.

Integrated Prescriptions

Recuro Health offers integrated prescriptions through Virtual Primary Care and our Digital Medical Home™. Prescriptions assigned by physicians are immediately sent to your preferred pharmacy to treat chronic conditions.
